

Getting to the Yukon and to Kluane

Fly to Whitehorse, Yukon

Air North, Yukon's Airline, highly recommended from Vancouver, Calgary, Edmonton or Ottawa
www.flyairnorth.com/

Condor direct from Frankfurt, Germany every Sunday in the summer
<http://www.condor.com/>

Air Canada from anywhere in the world
<http://www.aircanada.com/>

West Jet during the summer only
<http://www.westjet.com>

Drive North on the Alaska Highway from Whitehorse to Icefield Discovery Headquarters. Total distance is 210 km. There are car rental agencies in Whitehorse or a shuttle service with Who, What, Where Tours. Call Tina at 867-333-0475.

For larger groups, Up North Adventures can be a good option. They also stock a good selection of expedition gear at their Whitehorse store. www.upnorthadventures.com

There are places to stay close to the Icefield Discovery Headquarters:

Kluane Bed and Breakfast, right on the lake shore: www.kluanecabins.com

Mt. Logan Lodge, by the Alsek Valley: www.mtloganlodge.com

You are also welcome to camp at our Icefield Discovery Headquarters and use the gazebo from the Himalayan Foundation.
